

Camp Murnane Guidelines

Oregon Trail Council welcomes your Scouting Group to Camp Murnane. Please help to take care of the camp by following a few guidelines.

Reservations can be made by contacting the council service center at (541) 485-4433. Complete the weekend use reservation form, which can be located at www.otcbsa.org/camp-properties. Reservation forms can be dropped off at the council service center or emailed to cdinnet@scouting.org.

Check in & check out – Prior to your trip, please contact to council service center to obtain the current code for Camp Murnane's gate.

Leadership – All units must have 2 Deep Leadership who are registered with BSA and meet current youth protection policies.

Outdoor Ethic – This property is managed by a team of foresters and volunteers. Leave no trace. Leave it better than you found it.

- Do not cut any tree or sapling.
- Remove all pioneering projects when finished.
- Do not build any structures.
- Pack out trash. Please remind Scouts not to throw trash in latrines.
- Do not build new trails.
- Make sure campfires are completely out.
- Lock gate upon departure.

Campsites – Please report any damage you discover. If possible, take a picture and send it to office@otcbsa.org. Inspect campsites and Adirondack cabins prior to departure. No Alcohol is allowed.

Power and Water – If neither work, go to the pump house and turn on. Turn off when leaving.

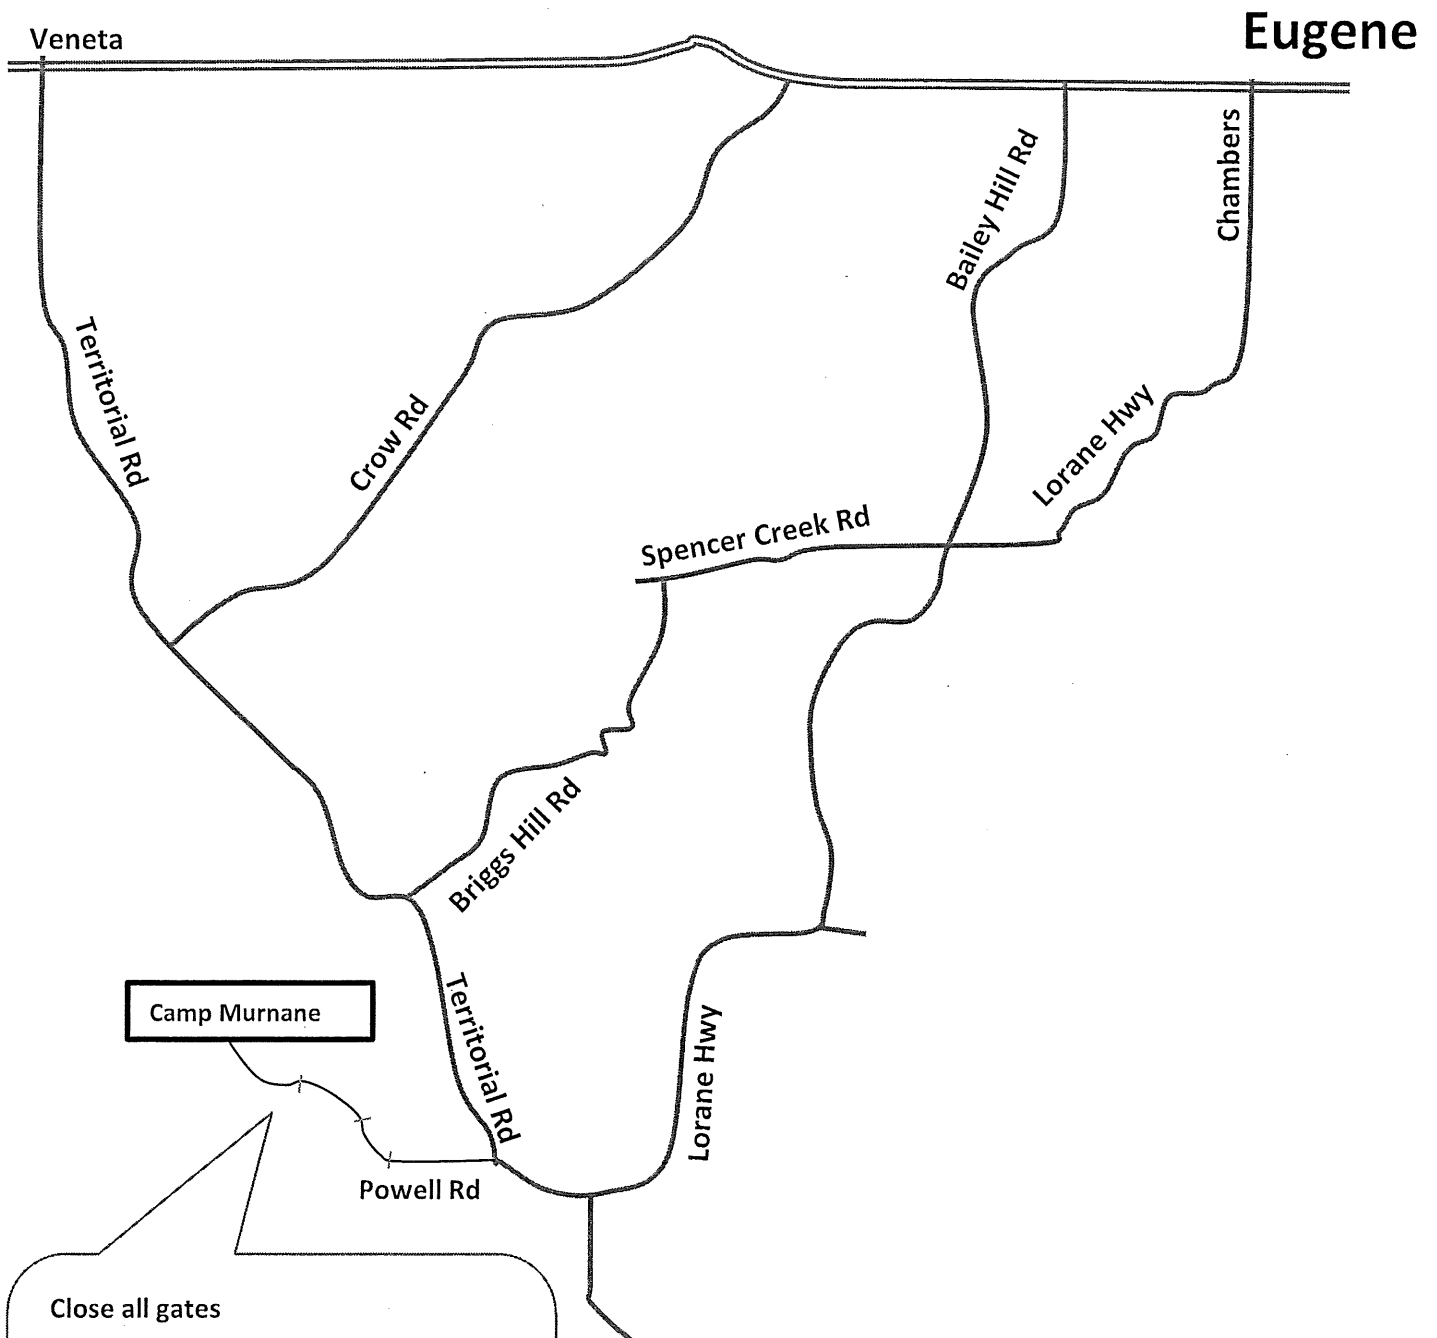

Service Projects - If your unit is interested in a project to benefit camp, please contact the council service center for ideas.

Roads – When you drive through the electric security gate at the end of Powell Road, you have crossed onto private property (not BSA land). Please drive extremely slow and watch for other vehicles coming your way. High speeds throw gravel, cause rutting and washboard ruts, and scare livestock and wildlife. There are five turn out areas you are required to use. Please do not block the road.

BOY SCOUTS OF AMERICA®
OREGON TRAIL COUNCIL

Camp Murnane

Close all gates

The 1.5 mile access road from Powell Rd to Camp Murnane crosses through private property. Please drive slow, be courteous to our neighbors, and **close all gates!** The pond is also private and not part of camp.
